Elliott-Garrett Company to Work Horses Sent After Receive One of First Finished Trucks.

Mitchell Hits the Game

Milchell Hils the Came
F. H. Mitchell, of the ElliottGarrett company, has been accusatomed every year about Thanksgiving time to hunt deer and bear
in the Mogollon mountains. Recently a friend wass speaking to
Mitchell about his annual trip. "I
intend to take a hunt this year,"
said Mitchell, "but I am going
after hisger game. As soon as I
get my call I will be on my way to
France and I hope to be hunting
Huns by Thanksgiving," "May
you hit the mark every time and
bag the leader of the gang," replied the friend. Amen.

Borderland Vulcanizing Works

COST ONLY ONE-HALF AS MUCH

Question Is it important that inflation should be maintained?

Half-Sole Tires are no exception to this rule. Question Will wet weather or muddy roads affect the Gates Half-

Question Won't the Gates Half-Sole Tire heat, rot or sweat the fire

Answer Positively not. The rubber tread that is now on your tire did not rot the fabric, why then would you believe that the application of the Half-Sole should in any way

ommended by the manufacturer of the tire you use.

flated is weakening his casings to such an extent that rim cutting or a blowout is almost inevitable. Gates

Gates Half-Sole Tires cover the original casings from bead to bead and are held firmly under the rim, making

them absolutely water-tight. They prevent water or mud from reaching the inner fabric of your easing. This is a very important function of the Half-Sole and its value

affect your tire? It will not, and the proof of this is

the fact that thousands of tires are now in service equipped with their second and third Gates Half-Sole

Tires with a road record of 15,000 to 20,000 miles.

Drivers by Efficiency and Price of Tractors.

Business Is Popping In Arizona Says Fred

A trip to Douglas, Tucson and other cilies of Arkona has convinced that everybody in Arizona to busy. "They are working day and night," says Mr. Lazenby, "and recent rains have added steam to efforts of business interests and cattemen."

White in Douglas Mr. Lazenby appointed the Motor Transit company, of that city, agents for the Kelly-Springfield tires. The company has but recently moved into their new 150,000 building and are well equipped to give good service to patrons.

Business Is Good We attribute our growing trade to the fact that work turned out of our shop is built to give service.

1.13 N. Kansas.

BYARS & CO.

TOUR Indiana Truck offers \$150 to \$850 more value than do other trucks. This is why it has earned this supreme recognition. Compare its advantages with higher priced trucks and you'll wonder why Indiana Trucks are sold at such remarkably low prices.

The reason is because Indiana manufacturers and dealers are satisfied with a tremendously lower margin of profit. They make their profits from the BIGGER demand and BIGGER sales.

Its worm-drive rear axle is tested in actual service to

The Indiana Truck has a high-powered, heavy-duty motor; oversize, heavy-duty bearings; disc-type clutch; 4-speed transmission; a gasoline-saving carburetor; and a magneto of 100% dependability.

Get to know MORE about this GREAT VALUE truck today. Call, write or phone.
